# Teddy Bear

*active reminiscence*

# Project

**T**winning the **E**lderly **D**isadvantaged and **D**isabled with the **Y**oung  
**B**y **E**nabling **A**ctive **R**eminiscence

# Teddy Bear is .....

● An exciting inter-generational project

● sharing stories and histories

# ECA

● between older and young learners

● encouraging those not involved in learning

Established in Herefordshire, Shropshire, Staffordshire & Stoke-on-Trent  
Adult work in reminiscence courses is financed by the Learning & Skills Council  
and there are links to the Extended Schools initiative

Funding from the European Commission under the Grundtvig programme  
supports our partnership with:-

Sastamala  
Community College in  
South-West Finland

ITACA in the  
Friuli region of  
North-East Italy

The Slovenian  
Institute for Adult  
Education
